Stop Work Obligation

Scope & Purpose:

This policy emphasizes the Stop Work Obligation (SWO) for all company employees and contractors to stop individual tasks or group operations when an unsafe act, condition or work practice is identified.

1.13.1 Responsibility

1. All employees and contractors have the authority and obligation to stop work any time they observe an unsafe act, condition, or work practice.

1.13.2 Training

1. All Company Field employees will receive "Stop Work Obligation" training.

2. "Stop Work Obligation" Requirements will be reviewed with Employees and Contractors during pre-job and field execution meetings.

A Stop Work Obligation card will be issued during initial training.
See *Figure 1* below for an example of the SWO card:
