Trailer:
Any properly registered trailer

Authority Type: USDOT Number: 1061388

Route Description: Origin: SH0072, 0.0mi W of SH0072 & FM0099

Destination: SH0016, 2.9mi S of SH0016 & FM 791

General Conditions:

1 It is expressly understood that the Texas Department of Motor Vehicles (TxDMV) shall not be responsible in any way for any damage of whatever nature that may result from the movement of the described vehicle and load over Texas highways, and that all such responsibility and liability is hereby accepted on behalf of the permittee.

2 This permit is issued on the condition that the permittee complies with all laws and rules regarding the movement of oversize/overweight vehicles, equipment, and loads on Texas roads. Violations of these laws may result in a citation.

3 It is the responsibility of the permittee to clear any overhead obstructions or utility lines. In addition, all utility companies or other entities must be contacted in advance, as required by the utility or entity, to assist in clearing the obstruction. For a list of utility companies and their contact information, visit the Public Utility Commission of Texas website: http://www.puc.texas.gov/industry/electric/directories/

Payment Method: Credit Card
Trace #:
Wire Co. Name:
Permit Destination:
Amendments:

Permit Fee:	$82.50
Overweight Fee:	$202.50
Other Fees:	$0.00
Texas.gov Fee*:	$6.67
Total Amt Paid:	$291.67

*Payment includes Texas.gov cost recovery fees for the state of Texas.

State law requires permit to be carried in vehicle until one day after expiration.
For more information, call the Texas 'One Stop Shop' toll free number at 1-800-299-1700 or visit our website at www.txdmv.gov.

Texas Department *of* Motor Vehicles

Texas Oversize/Overweight Single-Trip Permit

General Conditions(Continued):

4 Travel is prohibited on a load-restricted bridge when exceeding the posted capacity.

5 Permittee must adhere to the described route. Please contact TxDMV for an amended route if you believe you cannot safely navigate any of the roadways listed on the permit.

6 Driving directions listed on the permit for non-state maintained roads are for information purposes only and do not constitute authorization to travel on such roads.

7 This permit does not authorize travel on non-state maintained roadways (i.e., city streets and county roads). It is the permittee's responsibility to obtain any required approvals and permits from local jurisdictions on the roads that they maintain. If your route involves travel on non-state maintained roadways, and you are unable to obtain any required approvals or permits from a local jurisdiction, please contact TxDMV for an amended route.

8 Travel is not authorized on toll roads unless the permit route explicitly includes a toll road or the permit holder obtains written permission from the toll authority (visit www.txdot.gov/discover/toll-roads-managed-lanes/txdot-toll-roads.html for toll road locations and contact information to request written permission).

9 All overhang must be included in the permitted overall maximum length.

10 Escorts: Wider than 14 feet requires one escort. Escort must be in front on two-lane highways, in rear on multi-lane highways. Wider than 16 feet requires front and rear escorts.

11 Escorts: If exceeding two dimensions that require escorts, front and rear escorts are required.

12 Permit valid only for commodities that cannot be reasonably dismantled or for hauling more than one item that does not cause or create an over legal dimension or weight in excess of legal limits.

13 Permit may not be used for a container, including a trailer or an intermodal container, loaded with divisible cargo.

14 Daytime movement only unless otherwise specified under Route Conditions or General Conditions.

15 Overweight only may travel at nighttime with no escorts.

16 Loads not exceeding 10 feet wide, 14 feet high, 100 feet in length, with legal front and rear overhang, may travel at nighttime on the Interstate Highway System with no escorts required.

17 This permit does not authorize the vehicle to exceed the manufacturer's tire load rating listed in FMCSR 393.75(g).

18 Any axle grouping of 6 or more must be steerable or articulating.

19 Ground clearance is measured at the center of the trailer.

20 When Gross Weight is stated as "Legal," it is implied that the axle and axle group weights are also legal.

21 Loads exceeding 12 feet wide must use outside lanes on multi-lane highways.

22 Permitted vehicle(s) must be registered under Texas Transportation Code, Chapter 502.

23 Permitted vehicle and load must be properly equipped (i.e., signs, flags, and lights) as required by Texas Transportation Code and as required in the Route Conditions of this permit (if applicable).

24 Permit is valid for single trip only.

25 A permitted vehicle may deviate from a permitted route between the highways authorized on the permit and a terminal or facility for food, fuel, repair or rest having an entrance within one mile of the nearest ramp or intersection provided the vehicle will not cross under or over any structure. When re-entering the permitted route, the vehicle should abide by the same restrictions as when exiting.

Texas Oversize/Overweight Single-Trip Permit

General Conditions(Continued):

26 Permit is not valid without movement conditions and routing information (if applicable) sheet(s) attached.

27 Trees: Prior approval from TxDOT is required for trimming/removal of any trees in the right-of-way of state-maintained roadways. Carrier is required to coordinate trimming/removal in advance with the local TxDOT district office. For trees on county roads or city streets, carrier must contact the appropriate local jurisdiction.

28 Use caution at all railroad crossings. In case of emergency, please contact the appropriate railroad.
